# FROM GHOST LIGHT TO SPOTLIGHT

**MALTHOUSE  
THEATRE**

## When we closed our doors, we left a ghost light on the empty stage to caretake the space as a symbol of hope.

The superstition to leave a light on ensures the theatre stays alive in times of darkness. We now need your help to turn off our ghost light and bring artists and audiences back to The Malthouse.

Our Muses' support has always been vital—now it guarantees our very survival. We ask our donors to continue to support the power of theatre in all our lives.

Support our campaign to #turnofftheghostlight with an annual donation to keep Malthouse Theatre and independent art alive this tax season.

## When you donate to our #turnofftheghostlight campaign your support will:

- Aid Malthouse Theatre's recovery and future
- Keep independent artists employed and creating
- Assist us to continue to commission new work for future Seasons
- Ensure that theatre remains an accessible artform for all to enjoy
- Allow us to play a vital role in questioning the political and cultural world around us
