

MERLYN THEATRE

OUR LARGEST THEATRE

The **Merlyn Theatre** is the largest of the three theatres within The Malthouse and is named after Dame Merlyn Myer DBE to mark the generosity of the Sidney Myer Fund, The Myer Foundation, and the individual members of the Myer family who made the building conversion possible.

The versatile venue offers a unique seating design and stage relationship which makes it ideally suited for drama, dance, music and opera—both contemporary and classical—as well as a unique venue for conferences, product launches and private functions.

It features an orchestra pit and flexible seating, with the ability to offer reserved and general admission attendance. The maximum capacity for the Merlyn Theatre is 500 patrons.
