MALTHOUSE THEATRE

# HELP US WRITE THE NEXT STORY OF M.

Malthouse is the home of stories. Stories untold; stories well-loved; stories remixed; stories from the margins and the middle.

In 2022, we ask you to donate to Malthouse to support these stories on the stage and in development as Malthouse launches our digital archive, one of the most comprehensive in Australian theatre - Stories of M.

We have shared with audiences 650 stories to date on our stage, and hundreds more that have been developed through commissioning and script development, behind the scenes.

2022 presents Malthouse with the opportunity of reflective re-emergence. A legacy of stories that have gone before us and the possibility of stories not yet imagined, uncovered, or empowered is what drives Malthouse.

Support Malthouse this year to illuminate our past and support our future.

  
SUPPORT  
OUR FUTURE

# WHEN YOU DONATE, YOU SUPPORT:

## AUDIENCE ACCESS AND INCLUSIVITY

We provide access services such as Auslan interpreted and audio described performances; subsidised tickets and additional access services to promote inclusivity, remove barriers, and create equity for all audience members.

## NEW THEATRE

Each year we commission emerging and established theatre-makers to tell Australian stories from new perspectives, sitting at the cutting edge of new Australian theatre.

## INDIGENOUS VOICES

By commissioning emerging and established Aboriginal and Torres Strait Islander theatre-makers, we champion new Aboriginal and Torres Strait Islander work on our stages.

## ARTIST DEVELOPMENT

Through residencies, workshops and artist placements, we provide essential creative support to 200+ artists each year.

## EDUCATION

Young audiences and young artists are a vital part of our creative community. We offer an array of curriculum aligned productions, workshops and events for students that stir the imagination in our next generation.

## STORIES OF M

The Stories of M digital archive is the living history of Malthouse, where we showcase the incredible 40+ year history of our company. Every month we commission artists and writers to reflect on our stories and connect our past to our future.
