**MALTHOUSE  
THEATRE**

# In 2021, Malthouse Theatre rises again and doesn't look back.

We have sought radical creative solutions to utilise The Malthouse in a unique way—to seize control in chaos and create bold new work that proclaims **Long Live Theatre.**

We are doing now what has never been done at Malthouse Theatre before. We have a brand new outdoor stage, and inside our walls, we have created a landmark immersive theatre work for an extraordinary adventure.

While we reach for success and commit to the hard work required to get there, we need your support to continue to create work that is unapologetically Malthouse Theatre.

# When you donate, you support:

## New Theatre

Each year we commission emerging and established theatre-makers to tell Australian stories from new perspectives, sitting at the cutting edge of new Australian theatre.

## Indigenous Work

By commissioning emerging and established Aboriginal and Torres Strait Islander theatre-makers, we champion new Aboriginal and Torres Strait Islander work on our stages.

## Artist Development

Through residencies, workshops, and artist placements, we provide essential creative support to the 200+ artists we work with each year.

## Education

Young audiences and young artists are a vital part of our creative community. We offer an array of curriculum aligned productions, workshops, and events for students that stir the imagination.
